**TOPICS OF DISCUSSION**

**DECISIONS & RECOMMENDATIONS**

**Minutes August 27, 1997**

The minutes of August 27, 1997 were approved as written.

Mr. Jones advised the Board Dr Ledsma has not contacted the Board

**Minutes April 12, 2001**

Minutes accepted with corrections.

**Dr. Gold sworn in as a board member**

**Chairperson:**

Dr. Jex motioned to have Dr Terry Smith the new Chairperson, seconded by Dr. Gold. The motioned carried unanimously.

**Rule Changes:**

Mr. Jones reviewed with the Board the current rule changes. The first change was to change the law to reflect the change how the applicants are now taking the PMLEXIS exam. The second change was to reflect the radiology Course for Unlicensed Podiatric Assistants.

Dr. Zobell,  
Radiology Course Program

Dr. Zobell presented himself to the Board. He reviewed the training program he developed with the Board. This exam consists of a 150 question test they have to take and pass. Then a certificate is issued.

Mr. Jones advised the Board if it wants to set this so the physicians will need to take too it can accomplish this through a rule change. The association will handle the certificates and exam information. Those who have already taken this course their certificates are still valid. The motion to accept this program was made by Dr. Gold, seconded by Dr. Jex. The motion carried unanimously.

Board gave its compliments to Dr. Zobell for his hard work in developing this program.

The Board wants know the applicants, in our area, who has taken PMLexis exam. Mr. Jones will have this information for the Board.

Dr Gold concerned with other Podiatrist's coming in from other states who may have disciplinary action. The Board was advised the Bureau checks all verifications from all applicants. The Board was also advised it cannot stop someone from being licensed unless that state has specific information in writing.

Dr. Gold inquired if the Board should review all applications before approval. The Board was advised the Bureau reviews these applications, and if there are any problems or questions, the application will then be brought before the Board. Most applicants have everything in order and to hold up licensure for Board review, would stop the applicant from obtaining their license and going to work in a timely manner.

The Board suggested to set a meeting for 6 months if there is nothing to discuss cancel this meeting and to hold its meeting twice a year.

Next Meeting

The next meetings are scheduled for: January 8, 8:00 and July 9, 2002,
